ITX Corporation

ITX Announces Change of Organization and Personnel Change

ITX Corporation ("ITX") decided to change its organization, as well as personnel change. This was resolved at the meeting of its Board of Directors on March 23, 2010. The details are as follows;

1. Change of Organization (Effective on April 1, 2010)

Details of the change:

- Transfer "Sales Development Department" and "Business Development Department" in Telecommunications Service Division to new division, "Sales Management Division"
- Eliminate "Metropolitan Area Branch" in Telecommunications Service Division and establish "Metropolitan Area Branch I" and "Metropolitan Area Branch II" under the same division.

※New organization chart is attached in the last page.

Purpose of the change:

ITX is working on expansion and reinforcement of the core business, Telecommunications Service Business to accelerate the Corporate Structural Reform that ITX is currently promoting. While mobile phone sales market is growing at a sluggish pace, ITX will strengthen a strong relationship with the carrier and decided that it is essential to reinforce reviewing selling system from marketing to business operation, sales and logistics for further growth of the Telecommunications Service Business.
